

GREATEST 1 COMMAND

“Love one another as I have loved you.” (St. John 13: 34)

Document No. 18

September 2004

10 Interpretations

*This document was amended on 1- 24- 2009. We were wrong in part, when we stated in interpretation #5 that Cheney will become president. Therefore, since a Democrat has been elected, Barack H. Obama, we believe America and the world will see another Republican become president, but for “a little while”. During this period, we believe the 2 Olive Trees, also known as the 2 Lampstands, will appear. *(Please also see Interpretation #10 below)*

The revenge being displayed by many American people reminds us of the movie “Star Wars; Revenge of the Sith”. In a similar epic, Captain Ahab was also vengefully obsessed with finding the great White Moby Dick. President Bush (who behaves as Darth Vader from the movie Star Wars, and is vengeful like Captain Ahab in pursuit of Usama in the white tunic) ended his false prophesying, as we stated, around 4-11-05, which is 42 months from the start date of Oct. 11, 2001 as the first full month. The fallacy of his claims was finally confirmed by many, including the commission which investigated the September 11 terrorist attacks. Present Bush’s belief that the *sword* would make the world a better and safer place has run its course. In fact, it is an even more delicate world now.

Moreover, in one of our previous old yahoo group post we stated that church and state will combine. The Beast/Church, that Bush speaks on behalf of and which has given him authority by electing him for one hour (Rev. 17: 13), will hate the Woman/State and bring her to ruin. This one hour is spread out by 42 months, for within this hour America’s economy, but mostly America’s vision of freedom will decline. This is a slow process causing many to continue unaware of its development. For example, Newsweek reported that American soldiers burned and flushed a Muslim Koran down the toilet. Newsweek later retracted this story. Why? Was it because people were killed, or was it due to pressure from the government, particularly the Executive Branch? Also, if there is nothing wrong going on at Guantanamo Bay, why is it so secluded? Will others of the Press think twice and be intimidated by Rumsfeld’s statement: “They have to watch what they say.” Will the First Amendment be chipped away? Furthermore, Bush wants to alter the security of the people’s Social Security. How will the people of United Airlines feel about their Social Security now that their company has the legal ability to cut their future pension? This opens the door for other companies of corporate American to do the same. However, most threatening for America is President Bush’s attempts to place extremely conservative people on the Supreme Court of the United States. They are conservative to the Old Testament and unknowingly loyal to the first Beast with 7 heads and 10 horns with 10 Crowns – (see Photo 3 of document #17). Simultaneously, they are ignorantly liberal against the mountain/Zion on which Jesus inaugurated his ministry, and ignorant of the “Sacred Command” he gave as his last Will and Testament. (Matt. 5) (St. John 13: 34) (2 Peter 2: 21/ 3: 2) (1 John 3: 23)

Nevertheless, given these facts who is really running the United States? Usama bin Laden is the 666 individual (see Photo 1 of Doc. #17), but it states he affects the U.S. and the world on behalf of the *first* beast. (Rev. 13: 14) He is credited as giving the Mark of *allegiance* and *obedience* (in regards to patriotism) on the *right* hand and through the placing of the *right* hand to the *forehead*. This is achieved only because he affects the U.S. and the world by the U.S.’s reaction. This begs the question, “Who is more of a threat to freedom?” men who can only kill a few hundred, or a man who commands a nation’s army, rallies the world to war against others and

threatens a nation's freedom by changing its laws and Constitution? Therefore, how can the U.S. claim to be fighting for freedom, when in 1993 the terrorist bombing of the Twin Towers resulted in no loss of freedom, within the U.S.? This came about because the U.S. in 1993 did not react as they did in 2001, and terrorism subsided. Terrorists could never take away a nation's freedom, for they are just terrorists, and not lobbyists or law makers.

As a final word, this may very well be our last document, or one of our very last, for we have covered everything that there is to be said about this message on our part. Remember to have patients as Revelation 14: 12 states. The finality of the last events will happen, for they are showing their signs already. We would like to now complete our understanding of Revelation with the following 10 final interpretations:

1) The 5th Bowl: Since the United States is the throne of the beast "darkness" did fall in the form of a *blackout* in the Northeast of the U.S. Also, in Europe, specifically in England which supports the U.S., there was a *blackout* within a month or two of the U.S.'s incident. (Rev. 16: 10, 11) – *Also see: *7 Photos of the Antichrist/Beast/Matrix, at Greatest1command.com*.

2) The 6th Bowl: - A): The Kings of the East or *hurricanes* happened in 2004. Hurricanes are so powerful they can go wherever they want, such as a King does. Hurricanes also suck up water and would dry up all water if they were more powerful. Also, they cause the coast to pull back and dry up briefly. They came in the Atlantic and Pacific as never before. Florida was hit by 5 named storms and Japan was hit by 11. On Dec. 26, 2004 the last King came as a tsunami in the Indian Ocean. That one really dried up the great river Euphrates. (Rev. 16: 12) Remember, John the Revelator did not know of great oceans because his world believed in a flat earth. – **B)** The three evil spirits that keep popping up are Islam (666/Usama or False Prophet- see Photo 1), Christianity (President Bush is the Mouth of the Beast- see Photo 3 & 4) and Judaism (the Dragon, which deals with fire such as the Jewish 7 Headed Golden Candle Stick- see Photo 3). These three are the trouble makers and are always at war with each other. (Rev. 16: 13, 14) – **C)** Armageddon is what we stated in our documents. They are two Mountains or two ideologies/dispensations that clash with each other. One ideology believes that the *sword* will make the earth a better and safer place, and the other ideology does not. Pope John Paul was against the War on Terrorism, therefore, he is not the (Antichrist or correctly spelled: Anti-Christ) as many believe. (See the TIME article in our Miscellaneous Folder in CD 2 or at Greatest1command.com) We point this out because Revelation 13: 10 specifies that the end will come through people who are pro-Sword such as President Bush and Usama Bin Laden (Rev 16: 16) *Please see our documents: "Battle of the Heart pg. 1- 3."* Note: Revelation never uses the word: Antichrist. That word comes from 1 John 2: 18 & 4: 3.

3) In Revelation, the 666 individual is never called an Antichrist, even though he is one. This is another distorted tradition by many religionists, and an excuse to put the blame on one entity instead of on themselves. The 666 individual is called the False Prophet who does something on behalf of the *first* beast. (Rev. 13: 14 & 19: 20) The first Beast has a *mouth* and that is George W. Bush. St. John and St. Paul said many antichrists had *already* come, in their day. This was because many had turned from Jesus' Great Command to "**love each other**" and reverted back to a system of many commandments. (1 John 2: 18 & 4: 3) (2 Thess. 2: 7)

4) The beast that comes out of the *Abyss* is the ideology that combines church and state as it was with Catholicism, before the Reformation. The Pope was practically the king back then. Also, take note that Rome is on seven hills. Bush is Protestant, but he was displaying an ideology similar to the era of Global Theocracies. (Rev. 17: 8, 9)

5) The 7 kings are 7 American Presidents from the Republican Party. They begin with Dwight D. Eisenhower for he continues with modern Republicanism/conservatism. In domestic affairs, Eisenhower supported a policy of "modern Republicanism" that occupied a middle ground between liberal Democrats and the conservative wing of the Republican Party. After him comes Nixon, Ford, Reagan, H.W. Bush and W. Bush. More significantly, this is when the Israelites are back in Israel with the 7 Headed Golden Candle Stick and a tradition of the 10

commandments. Five have fallen, one is (one being Bush the 6th, because he is president during the beginning of the *infamous* hour - *see Photo 2). The 7th king/president, who will be for awhile, is the final Republican President. If it is Vice-President Cheney, will it be through election or result from an incident involving President Bush? Will President Bush complete his four years, followed by the election of a Democratic President, and eventually coming to a final Republican President in the White House? Who knows? We believe that since the 7th bowl is being poured right now, Bush is the last elected President and Vice President Cheney will be president for “a little while” signifying the big nuclear blast or the coming Jesus Christ in the clouds. (Rev. 17: 10)

6) The beast who once was, and now is not, is the eighth king. This eighth king is the same one that comes out of the *Abyss*. (Rev. 17: 8) It belongs to the 7 Republican Presidents because they tend to be more religious, conservative and more churchy than the Democratic Presidents. This disposition of the people is created by the *first* Beast with 7 heads and 10 Crowns – (*see Photo 3). We are not siding with the Democrats; in fact, they are just as guilty as the Republicans for the U.S. going to war. For when the American people were trapped in an “eye for eye and tooth for tooth” attitude filled with revenge, the Democrats were more worried to some extent, about their place in politics.

7) The 10 commandments are 10 Kings because they are very authoritative and do rule the consciences of men as displayed by the American politicians (Republicans and Democrats) who keep exclaiming, “We are a nation of Law!” The 10 commandments are the *roots* of many, for by them one can tell who is a Liberal or who is a Conservative. These 10 commandments give the Church one last time theocratic powers. They will make war against those who have been liberated from that old way of thinking, particularly against those who have grasped the alternative and replacement: Greatest 1 Command to “**love each as Jesus loved us.**” (St. John 13: 34)

8) The Prostitute’s wine is representative of being drunk with a dream. She is so enticing with her exclusive American Dream that millions and nations have drunk her wine and committed spiritual adultery with her. People are so drunk with this dream, that they will believe she could do no wrong. Unfortunately, this American Dream cannot be for all for it’s based on the god of *money*, or is it that money is their God. Money creates the division between the ones who have and the ones who have not. Also, the ideology that Law will bring happiness on earth, has been displayed one last time in this prostitute. Therefore, compared to Jesus’ dream, which is based on “faith and love”, the American Dream is a delusion that will turn into a nightmare, if, people do not wake up from their selfish obsession with material things. (Rev. 17: 1- 6)

9) Many interpret Rev. 21 as the merely the extrinsic appearing of the Kingdom of Heaven. However, Luke 17: 20 & 21 states, “...Jesus replied, **The Kingdom of God does not come with your careful observation, nor will people say, ‘Here it is,’ or ‘There it is,’ because the kingdom of God is within/among you.**” – NIV. People cannot be *in* heaven, if heaven is not *in* them. Also, many interpret the New Jerusalem as being Heaven, but it is only a city that will be placed on earth signifying Heaven on Earth, which will exist for at least 1,000 years. (Matt. 6: 10) (Rev. 20: 4) In truth it is only a figurative event. This type of city with high walls signified a sense of security for the people in John the revelator’s time. Today’s armies have missiles that can go over walls. Perhaps a city with a force field like in Star Trek would be more appropriate in our time to describe a secured heavenly dwelling. It is important to note that the old Jerusalem was destroyed by the Romans before this vision, so this vision gave St. John the Revelator hope in God that he could bring back all good things which people have lost, especially loved ones.

10) Revelation 19: 6 & 7 states, 6) “Hallelujah! For our Lord God Almighty reigns. 7) Let us rejoice and be glad and give him glory! For the wedding of the lamb has come, and his bride has made herself ready.” This will occur before the second coming of Jesus in the clouds. Moreover, we alluded to this in our video entitled, “*Jesus’ Year of Jubilee and his G.I.C., are the Solution to Debts!*” Contrary to what tradition teaches, what is happening in our world are signs that people will get what Jesus wants for us, but not without great adversity. Some see

seven years of tribulation followed by Armageddon; and others see seven years of tribulation followed by seven years of peace. We believe in seven years of tribulation followed by seven years of peace, then another 42 more months of the 2 witnesses, also known as the 2 olive trees or the 2 Lampstands. (Rev. 11: 4) Before they are killed in the streets of Jerusalem, after the 42 months, they will teach the world the true Gospel. The 2 Olive Trees and the 2 lampstands will be teaching that if one believes in Jesus Christ and obeys his Greatest 1 Command to “**love each other as much as he did**” one would not die! (St. John 13: 34/ 11: 26/ 16: 15, 16) Many state that if they were living in Jesus’ time, they would not have killed him. And many also have asked why God did not make Jesus’ Death and Resurrection a more public and visual event for the world; it would save more people, for people would be witnessing Jesus’ Resurrection and believe. Fortunately, God in his mercy will *comply* with the *weak* by reacting to these questions. For example, the 2 Lampstands will be killed by the Jews, the Muslims and the Christians because they will be mistaken to be the Antichrist and the False Prophet. This will be a world-wide visual spectacle. (Rev. 11: 10) This will occur mainly because people do not understand what the Beast with 7 Heads and 10 Horns with 10 Crowns represent. But after 3 ½ days a breath of life from God will enter them, and they will bodily resurrect to life! (Rev. 11: 11) What else, can God do to get people to believe in Jesus and to love one another? (1 John 3: 23) (St. John 13: 34)
