FBI TEN MOST WANTED FUGITIVE

Usama Bin Laden

666, points to Usama's:

DESCRIPTION	
Place of Birth:	Saudi Arabia
Height:	6' 4" to 6' 6"
Weight:	Approximately 160 pounds

(Rev. 13: 16 - 18)

Usama Causes the **Mark**, indirectly.
(Rev. 13:12)

But who Forces the **Mark** directly?
(Rev. 13:5)

Photo1) **666** points to the False Prophet's *height*, under his *name*! He *indirectly*, causes the giving of the **Mark** by the Beast. (Rev. 13:12, 17, 18 & 19: 20) Usama Bin Laden's FBI Most Wanted poster has his *height* under his *name*: **6' - 4"** or **6' - 6"**. These numbers "inches and feet" are his value by adding up to Usama's *height*. The translation from *The Living Bible* states it this way, "17) ...which was either the *name* of the Creature or the code number of his *name*. 18) "Here is a puzzle that calls for careful thought to solve. Let those who are able, interpret this code: the numerical values of the letters in his *name* add to 666". (Revelations 13: 17 & 18). Verse 17 of the *New International Version* says it in this manner, "...so that no one could buy or sell unless he had the *mark*, which is the *name* of the beast or the number of his *name*."

Moreover, in Revelations chapter 13 verse 13, *The living Bible* states, "He did unbelievable miracles, such as making fire flame down to earth from the skies while everyone was watching"; and verse 14 says "...He could do these marvelous things whenever the *first* creature was there to watch him". Did not the whole world watch (on television) Usama bring down the Twin Towers? Also, many in Iraq have said it looked like fire raining down when the Americans fired their missiles on Baghdad. These scenes were viewed by many from their televisions. Usama *indirectly* caused the firing of the missiles by his terrorist act in 2001.

However, Usama cannot do anything *directly*, for he can only cause the giving of the **Mark** (*right* hand to forehead or raising the *right* hand to make an oath) and cause the *fire* from heaven (Missiles from the sky) *indirectly*, through *cause* and affect. Revelation 13: 16 in the N.I.V. states, "He also forced everyone...to receive a **Mark** on his *right* hand or on his *forehead*..." and verse 13 says "Because of the signs (cause/catastrophic events) he was given power (affect/commanding orders) to do on behalf of the *first* beast." On behalf of the *first* beast means he could not do it by his own authority. Someone else is the authorizer and the more influential person. That someone else is the Representative Mouth of the *first* *beast*, which can be seen in PHOTO 3 below. This person, the Representative Mouth, does everything *directly*; see him in PHOTO 4 below.

Photo 2) September 11, 2001- the infamous Last Hour begins. Emergency 911! - Emergency 911! Its 11 P. M., 1 hour and 1 command to go, a new day is about to begin. Also, if you add up the chapter and verses, one will add up to 9 and the other will add up to 11. (Rev. 13:5 & 17:10, 12) Also, this is the beginning of the 7 years of Tribulation.

**Each of the 10 Commandments wears a Crown,
for they are seen as very "Authoritative".**

The Beast with 10 Crowns on its 10 Horns, which also has 7 Heads, is the 10 Commandments and the 7 Headed Golden Candle Stick. This is the Eighth King/Beast that will rule for 1 hour, with and through, the *mouth* piece: President Bush. (Rev. 17: 11, 12) This represents the Old Testament and its *obsolete* system of law, which was to last only *until* the *first* coming of Christ. (Hew. 8: 13/Gal. 3: 19, 23 & 25) It went into the Abyss when the Gentle Christians became dominant over the Jewish Christians. Then, with Constantine's help, this Judaism (disguised as Christianity) came out of the Abyss around 300 – 400 C. E. It received a *wound* around the 1500's (The Reformation) but it survived and split into two evil strands: Catholicism and Protestantism. (Rev. 13: 3) This Beast is for the Sword and has an "eye for eye" spirituality. For centuries, it has been steadily bringing about the world's demise. The resurgence of this system of law will be exposed after ruining the United States. (Rev. 17: 8)

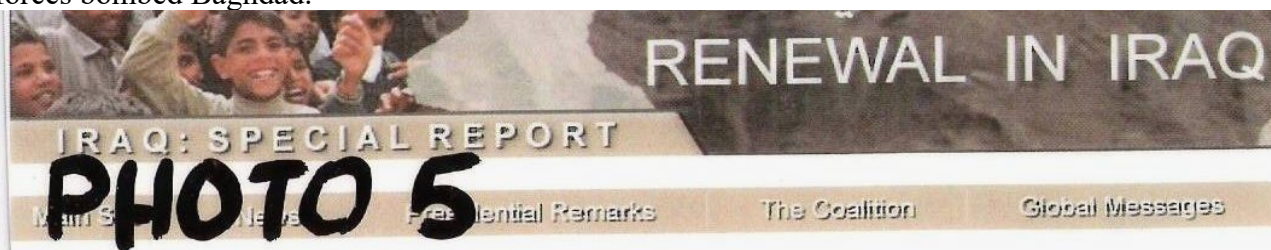

Photo 4) The *mouth* piece for the Beast with 10 crowns on its 10 horns and 7 heads is the actual individual who *directly* orders oaths to be given, by displaying the **Mark** of obedience when raising the *right* hand, and displaying the **Mark** of allegiance or patriotism/pride (which is condemned by God in Mark 7: 22 & Luke 1:51) through the *right* hand being placed on the *forehead*. In response to the murderous actions of the False Prophet, this Representative Mouth orders his country to be more fervent for the image/flag, and threatens other nations to worship/honor his ideology symbolized by that image/flag. (Rev. 13:1, 14, 16 & 19: 20) Also, he is the 6th King during the beginning of the *infamous* hour. The kings are in order: Eisenhower, Nixon, Ford, Reagan, H. Bush and now W. Bush. (Rev. 17: 10, 11) Remember, Bush is not the real problem. The real problem is The Men of Lawlessness. (2 Thessalonians 2: 4) Please see Document #31.

The Living Bible translates Rev. 13: 17 as, “And no one could get a *job* or even *buy* in any store without the permit of that *mark*....” Some have taken this literally, such as a tattoo or a computer *chip* embedded under the skin, but we see this as symbolically represented through a physical action. Keep in mind that verse 16 says small and great. Therefore, it doesn’t matter if you’re a leader of another country, a governor, a mayor, an ambassador or even a movie star, you will still be persecuted if you don’t place your *right* hand on your *forehead* as a **Mark** of allegiance or raise your *right* hand as a **Mark** of obedience to an oath. (Matt. 5: 34- 37) This is Bush’s patriotic/sword stance in his quest to defeat evil and create a safer world, or shall we say, create heaven on earth. For example, look how the President Bush’s administration places embargoes on nations who do not honor America’s ideology symbolized by its flag/image of the Beast, or how some press personnel have been penalized and have lost their *jobs* for speaking against the administration. Also, the administration has exposed Valerie Plame (the wife of the U.S. ambassador to Iraq) as a CIA operative for his opposition to President Bush’s rhetoric on Weapons of Mass Destruction. In addition, the governor of Louisiana is a Democrat, but the state of Mississippi has a Republican governor, which received a better response for his state than the governor of Louisiana during Hurricane Katrina.

Moreover, for the *small* people (the commoners) such as in the United States, have had their privacy violated and many have shown fear to speak up, as if they were walking the streets of Cuba. And overseas, people are being tortured in secret locations, and, people have disappeared from Guantanamo Bay prison without any trace. American soldiers are invading many Iraqi’s homes in the middle of the night without a search warrant. Are the soldiers sure that each home they invade is guilty? If they’re that good, maybe they should come here to the United States and clean up all of its criminal activity. The Constitution was specifically created to stop this kind of behavior. If we are to promote democracy, shouldn’t we extend our Constitutional Rights to these people? This is the best way to show that democracy works.

Photo 5) The fire that comes down from heaven to earth in the sight of men, is artificial and non-existing in his day. Therefore, John the Revelator could not have described it in his visions from God. (Rev. 13: 13) The people of Iraq have said that it looked like fire coming down from the skies when the coalition forces bombed Baghdad.

President's Remark

THE PRESIDENT: Thank you all very much. Admiral Kelly, Captain Card, officers and sailors of the USS Abraham Lincoln, my fellow Americans: Major combat operations in Iraq have ended. In the battle of Iraq, the United States and our allies have prevailed. (Applause.) And now our coalition is engaged in securing and reconstructing that country.

In this battle, we have fought for the cause of liberty, and for the peace of the world. Our nation and our coalition are proud of this accomplishment - yet, it is you, the members of the United States military, who achieved it. Your courage, your willingness to face danger for your country and for each other, made this day possible. Because of you, our nation is more secure. Because of you, the tyrant has fallen, and Iraq is free. (Applause.)

Operation Iraqi Freedom was carried out with a combination of precision and speed and boldness the enemy did not expect, and the world had not seen before. From distant bases or ships at sea, we sent planes and missiles that could destroy an enemy division, or strike a single bunker. Marines and soldiers charged to Baghdad across 350 miles of hostile ground, in one of the swiftest advances of heavy arms in history. You have shown the world the skill and the might of the American Armed Forces.

This nation thanks all the members of our coalition who joined in a noble cause. We thank the Armed Forces of the United Kingdom, Australia, and Poland, who shared in the hardships of war. We thank all the citizens of Iraq who welcomed our troops and joined in the liberation of their own country. And tonight, I have a special word for Secretary Rumsfeld, for General Franks, and for all the men and women who wear the uniform of the United States: America is grateful for your job well done. (Applause.)

The character of our military through history - the daring of Normandy, the fierce courage of Iwo Jima, the decency and idealism that turned enemies into allies - is fully present in this generation. When Iraqi civilians looked into the faces of our servicemen and women, they saw strength and kindness and goodwill. When I look at the members of the United States military, I see the best of our country, and I'm honored to be your Commander-in-Chief. (Applause.)

Photo 6) The Beast with 2 little horns like a lamb, was and still is a sign of patriotism/pride, which was displayed with 2 images/flags (small or large) by many at the beginning of the infamous hour. And, since this object was not known by John the Revelator, he could only describe it as a creature in his visions from God. (Rev. 13: 11) However, we interpret it to be automobiles. Also, take note of how people are displaying flags on their chest, on the back of football helmets, on sports jerseys, and in movies etc., etc. When Germany was in its patriotic frenzy, they too displayed this type of spirit. Hitler also placed an emblem on his chest! In addition, Hitler used to spy on his people; and as it has been shown on the History Channel, President Bush uses communications to spy on people too.

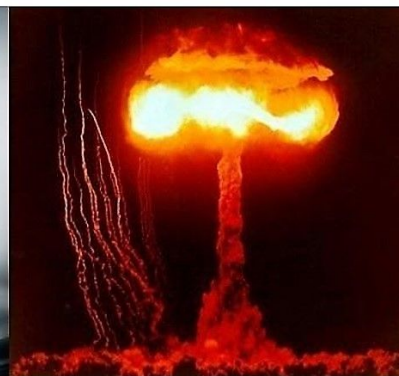

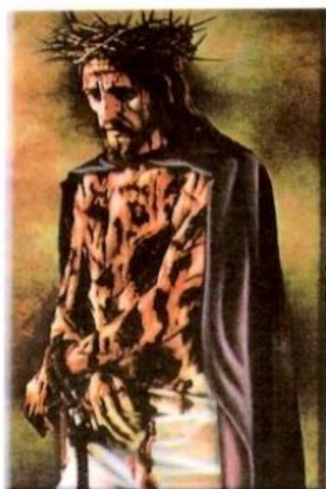

Photo 7) The prostitute that is dressed in *purple* and *scarlet* sits on many waters/harbor. (Rev. 17: 1, 4, 5, 18) This prostitute is the great city that rules the world, as stated in verse 18.—The Statue of Liberty is dressed in a Roman *robe* and she is made of copper, which can look like *scarlet* or *purple* when heated. Back in the 1800's, when it was first brought to the U.S., it did not have the greenish coating, so then the *scarlet* and *purple* would have been noticed when the sun heated it. Unfortunately, there were no color cameras back then. The Statue of Liberty also has a *mystery* on her head, just as the prostitute in Revelation has a *mystery* on her forehead. That mystery is that no one knows for sure what the so called *spikes* represent or why she wears them; some say they represent the seven seas, some say the seven continents. (See photo below and the information at:

<http://www.endex.com/gf/buildings/liberty/lihttps://www.statueofliberty.org/statue-of-liberty/overview-history/bertyfacts.htm>)

Moreover, in St. Matthew chapter 27 verses 28 and 29, it states that Jesus wears a “crown of thorns” and is covered with a roman *scarlet* robe, but in St. Mark 15: 17 and St. John 19: 3, it is a *purple* robe. It's good to imitate Jesus, but when such imitations, such as the Statue of Liberty which is centered on the God of money, it becomes blasphemy. (Matt. 6: 24) Realize, since money rules the world, Revelation chapters 17-19 can only be alluding to New York City and the New York Stock Exchange, represented by the Statue of of...False Liberty. Therefore, we conclude that God has revealed in these End Times the mystery on her forehead:

Which of these (wearing a *crown of thorns* and dressed in a roman *scarlet* or *purple* robe) has a dream/ideology/vision that will change the world? (St. John 13: 34, 35) OR (Rev. 17:2, 4, 5, 18).

Warning, Warning! If, we do not repent and forgive, this will occur:

“Terrified at her torment they will stand far off and cry:

**Woe Woe, O great city,
Babylon, city of power! In one hour
your doom has come.” (Rev. 18: 10)**

Revelation chapter 18: 21 states, “Then a mighty angel picked up a boulder the size of a millstone and threw it into the sea, and said: “With such violence the great city will be thrown down, never to be found again.” – The angel was showing St. John how New York City will be destroyed. Throwing a large millstone in water will create a splash that will resemble a mushroom cloud. (Rev. 18: 21) The reason people stand far off is because of Radiation!

Times Up! Come out of the Buildings and Matrixes/Religions/Systems my people. (Rev. 18: 2, 4)
