September 2020

I Want My Inheritance Now, Before the 2nd Coming

The image is a composite graphic with a red and blue border. At the top center is the WPA logo, which consists of a blue rectangle with 'USA' and two stars, a white rectangle with 'WORK PROGRAM', and a red rectangle with 'WPA'. To the left is a red star and to the right is a blue star. Below the logo is a black box with white text: 'In 1944, President FDR proposed an Economic Bill of Rights. They were:'. To the left of this text is a small photo of FDR. To the right is a list of rights: 'SECOND BILL OF RIGHTS EVERY AMERICAN HAS THE RIGHT TO: 1. A JOB 2. AN ADEQUATE WAGE AND DECENT LIVING 3. A DECENT HOME 4. MEDICAL CARE 5. ECONOMIC PROTECTION DURING SICKNESS, ACCIDENT, OLD AGE OR UNEMPLOYMENT 6. A GOOD EDUCATION'. To the right of the list is a clipping from 'The New York Times' with the headline 'ROOSEVELT TO MAKE JOBS FOR 3,500,000 NOW ON RELIEF; PUSHES HIS SOCIAL PROGRAM' and sub-headlines 'TO END DOLE WITH WORKS' and 'President's Broad Plan for Providing Jobs Is Outside the Scope of Private Industry'.

If you are waiting for the 2nd Coming to make Heaven on Earth—your denying Jesus and the 1st Coming! This is a lack of *faith, consciousness* and *integrity*.

Heaven on Earth does not mean making more church *buildings* and becoming more *churchy* or more religious.

Unknowingly, Franklin Delano Roosevelt was fighting for our God given *rights* and our *inheritance of the Promised Land*, which God Promised Abraham and fulfilled through Jesus Christ! This Promised Land is not literal Canaan or Palestine, but it's *spiritual* counterpart: Heaven itself. And yes, it has been paid for, and we do not mean "paid for" like in a legal transaction exemplified by the old Christian tradition that Jesus *died* and *paid* for our sins. No. We mean that Jesus went to the extreme ("whatever it takes", like what the Avengers said in the movie: *Avengers End Game*) and gave his life to make God's Promise to Abraham a realization. Anyone that has accepted Jesus and this act, on their behalf, has inherited the Promised Land, which is really *eternal* life and the Earth with all the commodities on it, meaning, the whole creation. This is why the first generation shared everything equally.

Acts 4:32 NIV

[All the believers were one in heart and mind. No one claimed that any of their possessions was their own, but they shared everything they had.]

Did not God Promise Adam he would inherit the Earth?:

Genesis 1: 28, 29 NIV

[God blessed them and said to them, "Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish of the sea and the birds of the air and over every living creature that moves on the ground." [29] Then God said, "I give you every seed-bearing plant on the face of the whole earth and every tree that has fruit with seed in it. They will be yours for food.]

Moreover, unconsciously, humanity has been fighting for this *inheritance* since Jesus' day. Or is it that God has been guiding the steps of humanity to achieve and attain that final inheritance? Nevertheless, there is a common phenomenon throughout history that develops between people where one group's views seem to be more *conservative*, while the other seems more *liberal*. It's really two ways of looking at the world. In all countries, and especially in America, all parties are fighting for for this inheritance when they fight for "equality, justice and the pursuit of happiness"; its just that they have different opinions on how to achieve it. And believe it or not, the White Supremacists, whose tactics are unfavorable by many, are fighting for it too, even though all sides may not realize it.

One group believes that the inheritance will be given in the future by Jesus, but the other believes in the present, just like in Jesus' day. The question is, which one of the two groups has an ideology and the faith that will give the country the great inheritance, in the present? The first generation acted like it was Heaven on Earth, in their day, but they lost it when they turned their backs on it:

2 Peter 2:21 NIV

[It would have been better for them not to have known the way of righteousness, than to have known it and then to *turn their backs* on the *sacred command* that was passed on to them.]

And of course the Sacred Command is Jesus' Greatest 1 command: "*to love each other*"-St. John 13: 34. In addition, this retreat to an un-faithful world was also reinforced, when humanity turned its back on Jesus' Year of Jubilee, by *not* continuing to accept Him as the Human Representative of God, and *not*, continuing with Heaven on Earth through the continual deleting of debts. It is so important to understand that we have mentioned the Greatest 1 Command and the Jubilee in previous essays and we will continue to do so. Consequently, this should be the determining Factor on who to *vote* for; the party that really has faith and really believes in Jesus. For us, we want our

inheritance *now*, not at the Second Coming of Jesus. We believe, the word that everyone is missing out on is the word, SHARE. Then everyone will have it equally. And no fights.

Consequently, *hell* on Earth is because Christianity for 1900 years has *failed* to preach what Jesus preached in his first three years, before he talked about anything about him dying; mainly, as we have already mentioned, Jesus' preaching of his interpretation of the Old Testament's "year of the Lord's favor", which we have labeled as Jesus' Year of Jubilee:

St. Luke 4: 18, 19 NIV

[18] "The Spirit of the Lord is on me, because he has anointed me to preach good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to release the oppressed, [19] to proclaim the *year of the Lord's favor.*"]

In addition, some nesciently, and unaware of the inheritance Jesus attained for all, will say, "You have to work for your living and pay for it." But what they're really saying is, "You have to work for your inheritance and pay for it." But No! No one pays for their inheritance, that's why it's called an *inheritance*. And yes, some will be lazy, complacent and abused it, but not forever; they'll learn and grow up, just like when a parent gives free things to their children. Not everyone's children grow up to be bad.

Most important, it's none of your business what we, or others do with their *inheritance* anyways. Those people who think like this are being like Big Brother in George Orwell's book and movie: 1984. These people have tendencies towards authoritarian control, yet they call others as being a Socialist or a Communist. Nevertheless, the earth and everything in it belongs to God, and so does all the money, therefore, God can do whatever He wants with it, like in the parable of the workers in the vineyard:

Matthew 20: 25 NIV

[Don't I have the right to do what I want with my own money? Or are you envious because I am generous?]

Finally, Jesus announced the Jubilee which means, once again, to delete *all* local and national monetary *debts*, but it also means to receive our *inheritance* and our *rights*, NOW, before the 2nd Coming of Jesus. (Luke 4: 19/ Rev. 19: 6- 8)

Let's have peace on Earth.
